VERBATIM

Original designs in Verbatim celebrate a Vintage Modern aesthetic, blending architectural forms with artisanal detailing.

Crafted from wire-brushed White Oak veneers in a rich brown finish with a deep umber glaze that accentuates grain lines, silhouettes in the collection include dining, occasional and media designs. Geometric inlays and striking applications of antique brass and bronze convey an artist's touch in the hand crafting of each piece. Signature items feature exotic accent materials like White Crystal stone, Century Marble and rare Milky Quartzite, suggesting the one-of-a-kind individuality of a commissioned piece.
