## VILLA BLANCA

“When it comes to travel and inspiration, I’ve always been drawn to coastal destinations. The islands and enclaves that line the Mediterranean are remarkable – from Capri to Santorini to Ibiza. While deeply rooted in the architecture and rich traditions of Europe, they are buzzing with seductive energy and a modern vibe. Villa Blanca is designed to capture the essence of that coastal lifestyle, merging classic forms with an elegant white finish for a look of sophisticated luxury living.”

~ BARCLAY BUTERA

“THERE IS SOMETHING CAPTIVATING ABOUT FRESH WHITE FACADES AND CLASSIC ARCHITECTURE AGAINST THE AZURE BLUE WATERS OF THE MEDITERRANEAN.”

~ BARCLAY BUTERA

## BARCLAY BUTERA VILLA BLANCA

Designs in Villa Blanca interpret classic forms in a modern way through the creative use of color. Graceful cabriole

legs and intricate carvings are transformed by the application of an elegant polo mallet white finish. Just as white facades that line the Mediterranean enhance the vibrant color of the sea, the soft white finish on Villa Blanca invites the use of

vivid colors in upholstered seating and decorative accents. The look is both timeless and timely, offering a modern view of classic styling.
