# LA COSTA

Luxury living today is defined by a balance of elegance and comfort. La Costa embodies this philosophy with sculptural curves, fluted detailing, architectural elements, and a touch of Mid-Century styling. The look offers an inviting aesthetic while delivering a dramatic design statement.

Meticulously crafted from quartered Hickory, the Sierra Tan finish highlights the wood's natural beauty, accented by custom hardware and metal accents in satin gold. Anticato marble and natural limestone create striking focal points in dining and occasional tables. This interplay of shapes, finishes, textures, and materials offers a dramatic contemporary narrative, and a fresh view of luxury living.
